November 15, 2021

The purpose of this Addendum is to modify the RFP documents only to the extent indicated herein. All other areas not changed or otherwise modified by other addenda shall remain in full force and effect. This Addendum is hereby made an integral part of the original Project Documents. All proposers shall acknowledge on the Proposal Certification they have read and understand this Addendum.

The following question(s) has been asked. Clarifications or modifications to the RFP are listed below.

1. "Section 4.6.6 Project Approach & Understanding, includes a request to provide a recent representative example of a municipality's official statement for which we acted as financial advisor within the last three years. These files can be large, but also easily accessible on the Municipal Securities Rulemaking Board's website EMMA. In lieu of attaching the file, may we provide a link to the document on EMMA instead?"

Answer: *Yes. Section 4.6.6 has been modified to allow for a link to EMMA. The statement "Sample reports and statements may be submitted as separate pdfs." has been changed to read, "Sample reports and statements may be submitted as separate pdfs or provided by a link to the Municipal Securities Rulemaking Board's website EMMA."*
