The notice of intent to award an agreement will be directed to the person who has signed the proposal on behalf of the proposer, or their designee, if an email has not been provided.

## **2.25 PROTEST OF AWARD**

A proposer may protest the award of a contract or the intent to award such a contract, whichever occurs first, if the following conditions are satisfied: (1) The proposer must be adversely affected because the proposer would be eligible to be awarded the contract in the event the protest is successful; (2) The reason for the protest is that all the lower bids/proposals, or higher-ranked bids/proposals are nonresponsive; (3) The City has failed to conduct the evaluation of proposals in accordance with the criteria or processes described in the solicitation document and the specific criteria and process being protested must be included; (4) The City has abused its discretion in rejecting the protestor's bid/proposal as nonresponsive; (5) The City's evaluation of the proposals or the subsequent determination of award is otherwise in violation of ORS 279A or 279B.

Written protests must be delivered to the Purchasing Coordinator at [procurement@cityofalbany.net](mailto:procurement@cityofalbany.net), within seven (7) days after issuance of the notice of intent to award the contract, or if no notice of intent to award is issued, within forty-eight hours after award. The written protest must specify the grounds for protest, must be received by the deadline provided in the notice of intent to award, and must be complete meeting all conditions addressed above, to be considered by the City, pursuant to ORS 279B.410(2). City will not consider a protest of contract award that is incomplete and submitted after the above timeline.

Work under the Agreement may not begin until the Notice to Proceed has been issued. The City will issue the Notice to Proceed after execution of the contract. The Notice to Proceed will state the date work under the Agreement will begin.

## **2.29 RECIPROCAL PREFERENCE LAW**

Oregon's reciprocal preference law, ORS 279A.125, requires public contracting agencies, in determining the lowest responsible proposer, to add a percent increase to each out-of-state proposer's bid price which is equal to the percent of preference given to local proposers in the proposer's home state. The list prepared and maintained by the Oregon Department of Administrative Services pursuant to ORS 279A.120(4) will be used to determine whether the nonresident proposer's state gives preference to in-state proposers and the amount of such preference.
