Recreation Management Software RFP, Addendum 3

April 12, 2022

The purpose of this addendum is to modify the RFP documents only to the extent indicated herein. All other areas not changed or otherwise modified by other addenda shall remain in full force and effect. This addendum is hereby made an integral part of the original Project Documents.

The following question(s) has been asked.

1. While we allow for unlimited user credentials we license the software by concurrent user, meaning the maximum number of users (staff only) that would be logged into the system at the exact same time. Is this a number that you can provide?

Answer: Yes. There would be approximately 20.
