FINANCE DEPARTMENT

Vehicle Towing Services for APD RFP, Addendum 2

---

**October 12, 2022**

The purpose of this addendum is to modify the RFP documents only to the extent indicated herein. All other areas not changed or otherwise modified by other addenda, shall remain in full force and effect. This addendum is hereby made an integral part of the original Project Documents.

The following question was asked.

**Question 1:** Why was the decision made to change the date of the current contract and go out for proposals?

**Answer:** The previous contract had a one-year extension remaining; however, the vendor decided not to renew the contract for an additional year. The City negotiates economic price adjustments; however, the price increase requested was more than the City could allow per purchasing rules.

In addition, the previous contract did not address abandoned, hazardous, or inoperable motorhomes, recreation vehicles, and/or travel trailers, which is an issue the City must address for public health and safety.

These two reasons necessitated the City to go out for a Request for Proposals process at this time.
