SECTION 1 – INTRODUCTION

1.1 CITY BACKGROUND INFORMATION

The City of Albany is a municipal governmental entity providing a full range of services, including police and fire police protection; land use planning; sewer services; water services; construction and maintenance of streets, and infrastructure; recreational activities, and cultural events. The City of Albany, with a population of 57,199, is the eleventh largest City in Oregon. Located at the confluence of the Willamette and Calapooia Rivers, the city of Albany lies within both Benton and Linn counties. Albany is the largest city in Linn County and serves as the county seat. Albany is also the second largest city in Benton County. From its river town beginnings, Albany has grown south and east with the railroads, state highways and Interstate 5 and across the Willamette into the farms and wooded hillsides of North Albany.

Albany operates under a home-rule charter in a council-manager form of government. Albany is led by an elected, non-partisan seven-member council. The council consists of the mayor and six council members. The mayor is elected at-large every two years; councilors are elected for overlapping four-year terms within three city wards. The city manager serves at the pleasure of the council. The council meets on the 2nd and 4th Wednesdays of each month and conducts work sessions the Monday prior to regularly scheduled Wednesday meetings (with some exceptions). The city council acts as the local contract review board for the City.

Albany employs approximately 427.40 FTE employees and up to an additional 100 temporary employees seasonally. Employees work in one of nine departments. The departments are Police, Fire, Parks & Recreation, Library, Human Resources, Finance, Information Technology, Public Works Engineering & Operations, and Community Development.

The objective of requesting proposals is for the City to contract with a firm that can offer services at the highest quality of service at a cost representing the best value to the City. More information about the city is available at the following: <https://www.cityofalbany.net/>.

1.2 PROCUREMENT METHOD

In no event will the City of Albany have any liability for the cancellation of award.

2.6 LATE PROPOSALS, WITHDRAWALS AND MODIFICATIONS

Proposals must be submitted by the time designated in the RFP Schedule. Any proposals submitted after the designated closing time will be considered late and determined nonresponsive. Proposal prices, terms and conditions will be firm for a period of at least 120 days from the deadline for receipt of submittal. The successful proposal will not be subject to future price escalation or changes of terms if accepted during the 120 calendar-day period. Price decreases or changes in

terms by others after the acceptance of a proposal will not be considered.

By submitting a proposal, the proposer must agree to comply with the Fair Labor Standard Act, Title VII of the Civil Rights Act of 1964, Executive Order 11246 (as amended), Fair Employment Practices, Equal Employment Opportunity Act, Section 503 of the Rehabilitation Act of 1973, as amended; Vietnam Era Veterans' Readjustment Assistance Act of 1974; Americans with Disabilities Act; Age Discrimination in Employment Act of 1967 (ADEA); and Oregon Revised Statutes (ORS); and all applicable requirements of federal, state and local civil rights and rehabilitation statutes, rules and regulations if awarded a contract by the City.

2.19 CERTIFICATION OFFICE FOR BUSINESS INCLUSION AND DIVERSITY (COBID)

The Oregon Business Development Department, through the Certification Office for Business Inclusion and Diversity, is the sole agency that may certify enterprises and businesses as disadvantaged business enterprises, minority-owned businesses, woman-owned businesses, businesses that service-disabled veterans own and emerging small businesses that are eligible to perform public contracts in this state. Proposer must agree not to discriminate against a disadvantaged business enterprise, a minority-owned business, a woman-owned business, a business that a service-disabled veteran owns, or an emerging small business enterprise certified under ORS 200.055 in awarding subcontracts as required by ORS 279A.110. The State of Oregon provides a certification directory for MWESB contractors and consultants at <https://www.oregon.gov/biz/programs/cobid/pages/default.aspx>. Proposers must consider MWESB contractors or consultants for subcontracting opportunities.

If the contract is awarded on the basis of Contractor's certification as a Disadvantaged Business Enterprise (DBE), Minority/Women-owned Business Enterprise (MWBE), Service-disabled Veteran, and Emerging Small Business (ESB) certifications (collectively known as MWESBs), Contractor must remain certified during the entire term of the contract. Contractors must include a similar provision in any subcontracts for the project.

As required by ORS 279B.235, all proposers must comply with ORS 652.220 and will not unlawfully discriminate against any of proposer's employees in the payment of wages or other compensation for work of comparable character on the basis of an employee's membership in a protected class. "Protected class" means a group of persons distinguished by race, color, religion, sex, sexual orientation, national origin, marital status, veteran status, disability, or age. Proposer's compliance with this section constitutes a material element of this contract and a failure to comply constitutes a breach that entitles the City to terminate this contract for cause.

Proposer may not prohibit any of their employees from discussing the employee's rate of wage, salary, benefits, or other compensation with another employee or another person. Proposer may not retaliate against an employee who discusses the employee's rate of wage, salary, benefits, or other compensation with another employee or another person.

If the contract is valued at \$500,000 or more and the proposer has 50 or more employees, then the proposer is required to complete Pay Equity Training through the State of Oregon's DAS, at

<https://www.oregon.gov/das/Procurement/Pages/PayEquity.aspx>, and must certify they have taken the training and provide a certificate as evidence before awarded a contract by the City.

2.21 SUBCONTRACTORS/SUBCONSULTANTS

In all solicitations either by competitive bidding, proposals, or negotiation made by the successful proposer for work to be performed under a subconsultant/subcontractor, including procurements of materials or leases of equipment, each potential supplier will be notified by the successful proposer of the proposer's obligations under this contract, Title VI of the Civil Rights Act of 1964, and other federal nondiscrimination laws. A list of potential state certified DBE contractors is available at <https://www.oregon.gov/biz/programs/cobid/pages/default.aspx> and from the City's website at <https://cityofalbany.net/bids>.

2.22 IDENTICAL PROPOSALS

If the City receives proposals identical in price, fitness, availability, and quality and chooses to award a contract, the City will award the contract in accordance with ORS 279A.120 and OAR 137-046-0300. If the City determines that one or more proposals are identical, tiebreaker preference for identical offers are awarded on the following order of precedence: 1) Goods and services manufactured, produced or to be performed in Oregon, and 2) Drawing of lots among the identical offers. The City will provide the proposers who submitted the identical proposals notice of the date, time, and location of the drawing of lots and an opportunity for the proposers to be present when the lots are drawn.

2.23 COMPLIANCE WITH STATE OF OREGON LAWS

By submitting a response to this solicitation, proposer agrees that any terms and conditions stated within any agreement awarded as a result of this solicitation will include the following laws of the State of Oregon and are hereby incorporated by reference into the agreement: ORS 279B.220 (Payment, contributions, liens, and withholding), ORS 279B.225 (Salvaging, recycling, composting or mulching yard waste material, if applicable), ORS 279B.230 (Payment for medical care and workers' compensation), and ORS 279B.235 (Hours of labor).

2.24 NOTIFICATION OF INTENT TO AWARD AND DEBRIEFING OPPORTUNITY

Responsive proposers to this RFP will be notified of the Selection Review Committee's recommendation and the City's intent to award a contract not less than seven (7) days prior to contract award. The notice of intent to award will be directed to the person who has signed the proposal on behalf of the proposer, or their designee, if an email has not been provided. The City will notify all proposers of their opportunity to have a debriefing with Procurement to discuss scoring, evaluations, and proposal recommendations for improvement.

2.25 PROTEST OF AWARD

A proposer whose submittal was scored as the second apparent, most advantageous proposal response, and submitted a responsive and responsible proposal, may protest the award of contract or the intent to award such a contract, whichever occurs first. In addition, the following conditions must exist: (1) the proposer must be adversely affected because the proposer would be eligible to be awarded the contract in the event the protest is successful; (2) the reason for the protest is that all

the lower bids/proposals, or higher-ranked bids/proposals are nonresponsive; (3) the City has failed to conduct the evaluation of bids/proposals in accordance with the criteria or processes described in the solicitation document and the specific criteria and process being protested must be included; (4) the City has abused its discretion in rejecting the protestor's bid/proposal as nonresponsive; (5) the City's evaluation of the proposals or the subsequent determination of award is otherwise in violation of ORS 279A or 279B.

Written protests must be delivered to the Purchasing Coordinator at procurement@cityofalbany.net, within seven (7) days after issuance of the notice of intent to award the contract, or if no notice of intent to award is issued, within forty-eight hours after award. The written protest must specify the grounds for protest, must be received by the deadline provided in the notice of intent to award, and must be complete meeting all conditions addressed above, to be considered by the City, pursuant to ORS 279B.410(2). City will not consider a protest of contract award that is incomplete and submitted after the above timeline.

2.26 NONAPPROPRIATION

The City's obligation to award this RFP is contingent upon appropriation or approval of funds.

2.27 AGREEMENT

The successful proposer will be required to sign an agreement to deliver to the City at the cost proposed, providing the scope of services and conditions set forth herein, or an agreed upon statement of work, if applicable. It is the City's intent to award an agreement in substantially the form of the sample agreement attached to this RFP document.

2.28 NOTICE TO PROCEED

Work under the Agreement may not begin until the Notice to Proceed has been issued. The City will issue the Notice to Proceed after execution of the contract. The Notice to Proceed will state the date work under the Agreement will begin.

2.29 RECIPROCAL PREFERENCE LAW

Oregon's reciprocal preference law, ORS 279A.125, requires public contracting agencies, in determining the lowest responsible proposer, to add a percent increase to each out-of-state proposer's bid price which is equal to the percent of preference given to local proposers in the proposer's home state. The list prepared and maintained by the Oregon Department of Administrative Services pursuant to ORS 279A.120(4) will be used to determine whether the nonresident proposer's state gives preference to in-state proposers/bidders and the amount of such preference. For details, check Oregon's Reciprocal Preference Law at <https://www.naspo.org/reciprocity1>. Proposers in need of assistance in the application of this law should contact the State Procurement Office: State of Oregon, Department of Administrative Services, State Procurement Office, 1225 Ferry Street SE, U-140, Salem, OR 97301-4285. Phone: 503-378-4642.

2.30 CITY REPRESENTATIVE OR CONTRACT ADMINISTRATOR

The City Representative or designee shall have full authority to act on behalf of the City with respect to administration of the provisions of this contract, including the authority to stop the work whenever such stoppage may be necessary to ensure the proper execution of the contract. The representative or designee shall also have authority to reject all work that does not conform to the contract documents. The Representative for the purpose of administering this contract will be Diane Murzynski, Purchasing Coordinator, 541-917-7522, diane.murzynski@cityofalbany.net.

The Department Representatives will coordinate with the City Representative to provide feedback regarding contract compliance.
