Force Main Pigging Services ITB, Addendum 1

---

**February 21, 2023**

The purpose of this addendum is to modify the ITB documents only to the extent indicated herein. All other areas not changed or otherwise modified by other addenda shall remain in full force and effect. This addendum is hereby made an integral part of the original Project Documents.

1. An optional Prebid Site Visit may be arranged by interested bidders with Tracy Heide on Friday, February 24, 2023, from 10 a.m. to 12:00 p.m. Contact Wastewater Collections Lead Tracy Heide at 541-791-0198 or 541-619-5211 to schedule.
2. Sewer Force Main drawings have been provided as Attachment A to this addendum and posted on the website as Addendum 1 Attachment A Station Drawings. Each force main drawing includes a location map.
3. Addition to Section 2 – Scope of Work, 2.1 Project and Service Description:

The 34th Avenue, North Albany, and Wah Chang sewer force mains do not have pigging stations. The contractor will be required to set up portable pigging stations at these three force mains.

Bid prices for these force mains shall include providing, setting up, and removal of portable pigging stations. After pigging has been completed, any required excavations shall be backfilled with select backfill and compacted per the *Albany Standard Construction Specifications* available on the City's website at <https://www.cityofalbany.net/standard-construction-specifications>. All public improvements are required to conform to these specifications and bid prices must reflect these specifications. Excavation and backfill, if required, shall be incidental to the work.

4. **Exhibit A – Cost Proposal:** Exhibit A – Cost Proposal worksheet was updated to include a signature block.
