## SECTION 1 – INSTRUCTIONS TO BIDDERS

### 1.1 CITY BACKGROUND INFORMATION

The City of Albany is a municipal governmental entity providing a full range of services, including public transit; police and fire police protection; land use planning; sewer services; water services; construction and maintenance of streets, and infrastructure; recreational activities, and cultural events. The City of Albany, with a population of 54,935, is the eleventh largest City in Oregon. Located at the confluence of the Willamette and Calapooia Rivers, the city of Albany lies within both Benton and Linn counties. Albany is the largest city in Linn County and serves as the county seat. Albany is also the second largest city in Benton County. From its river town beginnings, Albany has grown south and east with the railroads, state highways and Interstate 5 and across the Willamette into the farms and wooded hillsides of North Albany.

Albany operates under a home-rule charter in a council-manager form of government. Albany is led by an elected, non-partisan seven-member council. The council consists of the mayor and six council members. The mayor is elected at-large every two years; councilors are elected for overlapping four-year terms within three city wards. The city manager serves at the pleasure of the council. The council meets on the 2nd and 4th Wednesdays of each month and conducts work sessions the Monday prior to regularly scheduled Wednesday meetings (with some exceptions). The city council acts as the local contract review board for the City.

Albany employs approximately 427.40 FTE employees and up to an additional 100 temporary employees seasonally. Employees work in one of nine departments. The departments include Police, Fire, Parks & Recreation, Library, Human Resources, Finance, Information Technology, Public Works, and Community Development.

More information about the City is available at: <https://cityofalbany.net>.

The request must specify the provision of the ITB in question and contain an explanation for the requested change.

The City will evaluate any request submitted but reserves the right to determine whether to accept the requested change. If in the Contracts & Procurement Officer's opinion, additional information or interpretation is necessary; such information will be supplied in the form of an addendum as stated above. Any addenda shall have the same binding effect as though contained in the main body of the ITB. Oral instructions or information concerning the scope of work of the project given out by City of Albany managers, employees, or agents to the prospective Bidders shall not bind the City of Albany.

1. All addenda, clarification, and interpretations will be posted on the City of Albany's website at <https://cityofalbany.net/bids>.

2. No addenda will be issued later than the date set in the ITB Schedule, except an addendum, if necessary, postponing the date for receipt of bids, withdrawing the invitation, modifying elements of the bid resulting from a delayed process, or requesting additional information, clarification.

Bidder must not copyright, or cause to be copyrighted, any portion of any said document submitted to the City of Albany as a result of this ITB. Bidder should not mark the whole proposal document "confidential". If a proposal contains any information that is considered a trade secret under ORS 192.501(2), bidders must mark each sheet of such information with the following legend: "This data constitutes a trade secret under ORS 192.501(2) and will not be disclosed except in accordance with the Oregon Public Records Law, ORS Chapter 192." Any proposal marked as a trade secret in its entirety will be considered nonresponsive.

### **1.4 CANCELLATION**

In no event shall the City of Albany have any liability for the cancellation of award.

Discrimination in Employment Act of 1967 (ADEA); Oregon Revised Statutes (ORS); and all applicable requirements of federal, state and local civil rights and rehabilitation statutes, rules and regulations if awarded a contract by the City.

### **1.15 SUBCONTRACTS AND PROCUREMENT OF MATERIALS AND EQUIPMENT**

In all solicitations by competitive bidding or proposals for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor or supplier shall be notified by the successful bidder of the successful bidder's obligations under this contract, Title VII of the Civil Rights Act of 1964, and other federal nondiscrimination laws.

### **1.16 CERTIFICATION OFFICE FOR BUSINESS INCLUSION AND DIVERSITY (COBID)**

The Oregon Business Development Department, through the Certification Office for Business Inclusion and Diversity, is the sole agency that may certify enterprises and businesses as disadvantaged business enterprises, minority-owned businesses, woman-owned businesses, businesses that service-disabled veterans own and emerging small businesses that are eligible to perform public contracts in this state. Bidder agrees not to discriminate against a disadvantaged business enterprise, a minority-owned business, a woman-owned business, a business that a service-disabled veteran owns, or an emerging small business enterprise certified under ORS 200.055 in awarding subcontracts as required by ORS 279A.110. A list of state certified DBE Contractors is available at <https://www.oregon.gov/biz/programs/cobid/pages/default.aspx> and from the City's website at <https://cityofalbany.net/bids>. Bidders must consider MWESB vendors for subcontracting opportunities.

If the contract is awarded on the basis of Contractor's certification as a Disadvantaged Business Enterprise (DBE), Minority/Women-owned Business Enterprise (MWBE), Service-disabled Veteran, and Emerging Small Business (ESB) certifications (collectively known as MWESBs), Contractor must remain certified during the entire term of the contract. Contractors must include a similar provision in any subcontracts for the project.

### **1.17 PAY EQUITY COMPLIANCE**

As required by ORS 279B.235, Contractor must comply with ORS 652.220 and shall not unlawfully discriminate against any of Contractor's employees in the payment of wages or other compensation for work of comparable character based on an employee's membership in a protected class. "Protected class" means a group of persons distinguished by race, color, religion, sex, sexual orientation, national origin, marital status, veteran status, disability, or age. Contractor's compliance with this section constitutes a material element of this Contract and a failure to comply constitutes a breach that entitles the City to terminate this Contract for cause.

Contractor may not prohibit any of Contractor's employees from discussing the employee's rate of wage, salary, benefits, or other compensation with another employee or another person. Contractor may not retaliate against an employee who discusses the employee's rate of wage, salary, benefits, or other compensation with another employee or another person.

<https://www.oregon.gov/das/Procurement/Pages/PayEquity.aspx>, and must certify they have taken the training and provide a certificate as evidence before awarded a contract by the City.

## **1.18 COST OF ITB AND ASSOCIATED RESPONSES**

This ITB does not commit the City of Albany to pay any costs incurred by any Bidder in the submission or presentation of a Bid, or in making the necessary studies for the preparation thereof. Responses to this solicitation are purely voluntary. Bidders shall not include any such expenses as part of their Proposal.

## **1.19 SOLICITATION PROTESTS**

A protest of any provision in this ITB solicitation must be made in writing and emailed to Diane Murzynski, Contracts & Procurement Officer, at [procurement@cityofalbany.net](mailto:procurement@cityofalbany.net) no later than the date listed in the ITB Schedule. Submittals will be reviewed upon receipt and will be answered in writing. Any protest must address the requirement, provision or feature of this ITB or its attachments, that the potential Bidder believes is ambiguous, unclear, unfair, contrary to law or likely to limit competition. Such submittals will be reviewed upon receipt and will be answered in writing.

In addition to the information required by ORS 279B.405(4), a prospective Bidder's written protest must include a statement of the desired changes to the procurement process or the solicitation document that the prospective Bidder believes will remedy the conditions upon which the prospective Bidder based its protest. No such protests or requests will be considered if received after the deadline or requests are incomplete. No oral, telegraphic, telephone protests or requests will be accepted.

## **1.20 BID DISCREPANCIES**

Discrepancies between the multiplication of units in work and unit prices will be resolved in favor of the unit prices. Discrepancies between the indicated sum of any column of figures and the correct sum thereof will be resolved in favor of the correct sum. Unless otherwise specified, Bidders shall bid on all bid items included in this solicitation document and the low Bidder shall be determined as noted in the Award Section. Except as provided herein, bids which are incomplete, fail to reply to all items required in this solicitation document, or found to be in error after clarification has been requested and before contract execution, will be rejected.

## **1.21 IDENTICAL BIDS**

If the City receives Bids identical in price, fitness, availability, and quality and chooses to award a contract, the City shall award the contract in accordance with ORS 279A.120 and OAR 137-046-0300. Tiebreaker preference for identical offers is awarded on the following order of precedence: 1) Goods and services manufactured, produced or to be performed in Oregon, and 2) Drawing lots among the identical Offers. The City shall provide the Bidders who submitted the identical bids notice of the date, time, and location of the drawing of lots and an opportunity for the Bids to be present when the lots are drawn.

**1.22 COMPLIANCE WITH STATE OF OREGON LAWS**

By submitting a response to this solicitation, Bidder agrees that any terms and conditions stated within any Agreement awarded as a result of this solicitation shall include the following laws of the State of Oregon and are hereby incorporated by reference into the Agreement: ORS 279B.220 (Payment, contributions, liens, and withholding), ORS 279B.225 (Salvaging, recycling, composting or mulching yard waste material, if applicable), ORS 279B.230 (Payment for medical care and workers' compensation), and ORS 279B.235 (Hours of labor).

**1.23 SAFETY DATA SHEETS (SDS)**

Bidder shall furnish Safety Data Sheets per OAR 437, Division 155, for all materials, if applicable, furnished to the City.

**1.24 PROTEST OF AWARD OF CONTRACT**

A bidder may protest the award of a contract or the intent to award such a contract, whichever occurs first, if the following conditions are satisfied: (1) The bidder must be adversely affected because the bidder would be eligible to be awarded the contract in the event the protest is successful; (2) The reason for the protest is that all the lower bids/proposals, or higher-ranked bids/proposals are nonresponsive; (3) The City has failed to conduct the bid process in accordance with the criteria or processes described in the solicitation document and the specific criteria and process being protested must be included; (4) The City has abused its discretion in rejecting the protestor's bid/proposal as nonresponsive; (5) The City's evaluation of the proposals or the subsequent determination of award is otherwise in violation of ORS 279A or 279B.

Written protests must be delivered to the Contracts & Procurement Officer at [procurement@cityofalbany.net](mailto:procurement@cityofalbany.net), within seven (7) days after issuance of the notice of intent to award the contract, or if no notice of intent to award is issued, within forty-eight hours after award. The written protest must specify the grounds for protest, must be received by the deadline provided in the notice of intent to award, and must be complete meeting all conditions addressed above, to be considered by the City, pursuant to ORS 279B.410(2). City will not consider a protest of contract award that is incomplete and submitted after the above timeline.

**1.25 NONAPPROPRIATION**

The City's obligation to award this bid is contingent upon appropriation or approval of funds.

**1.26 AGREEMENT**

The successful Bidder will be required to sign an agreement to deliver to the City at the prices bid, providing the product specifications and conditions set forth herein, or an agreed upon statement of work, if applicable. It is the City's intent to award an agreement in substantially the form of the agreement attached to this bid document. Bidders may submit an alternative agreement for City's review. The City, at its sole determination, may approve the Bidder's offered agreement as is, require modifications, or reject the Bidder's agreement and require the City's agreement be executed for the purpose of this bid.

## **1.27 NOTICE TO PROCEED**

Work under the Agreement may not begin until the Notice to Proceed has been issued. The City will issue the Notice to Proceed after execution of the contract. The Notice to Proceed will state the date work under the Agreement will begin.

## **1.28 RECIPROCAL PREFERENCE LAW**

Oregon's reciprocal preference law, ORS 279A.125, requires public contracting agencies, in determining the lowest responsible Bidder, to add a percent increase to each out-of-state Bidder's bid price which is equal to the percent of preference given to local Bidders in the Bidder's home state. The list prepared and maintained by the Oregon Department of Administrative Services pursuant to ORS 279A.120(4) will be used to determine whether the nonresident Bidder's state gives preference to in-state Bidders and the amount of such preference. For details, check Oregon's Reciprocal Preference Law website at: <https://www.naspo.org/reciprocity1>. Bidders in need of assistance in the application of this law should contact the State Procurement Office: State of Oregon, Department of Administrative Services, State Procurement Office, 1225 Ferry Street SE, U-140, Salem, OR 97301-4285. Phone: 503-378-4642.

## **1.29 INVOICES**

All invoices must be submitted in writing and given by mail or email to:

City of Albany  
Attn: Accounts Payable  
P.O. Box 490, Albany, Oregon 97321  
[accountspayable@cityofalbany.net](mailto:accountspayable@cityofalbany.net)

And when so addressed, will be deemed given upon deposit in the United States mail, postage prepaid. In all other instances, bills will be deemed given at the time of actual delivery.

## **SECTION 2 – SCOPE OF WORK**

### **2.1 PROJECT GOALS AND SCOPE OF SERVICES**

The project goal is to chemically treat identified root lines in the City of Albany sewer basins prior to root cutting operations by City staff to prevent sewer backups and capacity issues. Contractor must have a valid applicator's license to administer root treatment services and will be required to provide a copy of their license.

The scope of work consists of inserting a hose from manhole to manhole. The hose releases and sprays the foam in all directions, allowing it to adhere to roots and penetrate through wye connections to kill roots, even in lateral lines. The entire collection system will be treated as the foam compresses against pipe surfaces and penetrates cracks, joints and connecting sewers. This treatment should kill roots on contact inside and outside the pipe walls. The roots should decay naturally and slough away, with regrowth delayed for two to three years.

The treatment should not harm trees and other above ground vegetation, and disruption to residents and businesses should be minimal. Contractor must use EPA approved root treatment chemicals and provide SDS to the City Treatment Plant Supervisor for approval prior to use.

Should contractor encounter lines that require repairs prior to treatment, or encounter restrictions to line access, Contractor must notify the City Representative who will work with neighboring property owners should access be limited or restricted. Contractor may be required to complete treatment at a later date if treatment cannot be applied according to the planned Schedule. Treatment may be rescheduled to the following year, if needed.

Contractor should provide a warranty for treatment services for up to three years.

### **2.2 PROJECT LOCATIONS AND SERVICES BY YEAR**

Project work is identified on an annual basis and reflects the estimated number of linear feet of pipe to be treated per year. The linear feet of pipe may be subject to change annually. The basin areas identified for treatment by year are provided in the Appendices.

### **2.3 CONTRACT TERM**

The contract term is for three years, beginning May 1, 2023, with the option to extend the contract two additional, one-year terms. Services shall begin seven (7) days after receipt of the City's Notice to Proceed

### **2.4 PROCUREMENT SOURCING METHOD AND FUNDING**

The City will use a procurement source selection method based on a formal, competitive Invitation to Bid process in accordance with ORS 279B.055. No federal grant funds are being used for this procurement.

### **2.5 PROJECT SCHEDULE**

Work will be conducted annually, typically between May 1 and June 30, for effective treatment processes. Year 1 will begin May 1, 2023, and Contractor will be expected to begin work within the

month. Future project meetings will be scheduled approximately three months prior to annual service start date by Wastewater Supervisor Jeff Gill. City will annually determine treatment location, traffic control, if applicable, site access, and pipe location. Contractor and City will determine best approach per site and location annually. Work should be completed timely and meet the City's Project Schedule. Interruptions should be minimal to property owners.

Contractor will be responsible to schedule and provide all traffic safety devices, i.e., cones and signs, and any measures beyond cones and signs will be the City's responsibility. Contractor shall make necessary arrangements and coordination to obtain flagging services, if applicable. Payment will be negotiated with City and added as a change order if flagging services are needed.

## **2.6 REPORTS**

Comprehensive reports will be provided to the City upon completion of the work. City will conduct inspections of the designated areas and work completed. Contractor must provide a warranty for work provided and must include retreatment. If necessary, City may request Contractor to retreat areas that require additional root treatment services at Contractor's expense.

## **2.7 COORDINATION AND COMMUNICATION**

The selected Contractor will coordinate with the City to implement the Project Schedule. Any specific duties the City will perform for the project will be communicated to the Contractor. Project work should reflect a coordinated approach and Contractor shall communicate the type and level of support anticipated from City staff. At all times, the City will do its utmost to provide timely responses regarding all project issues and questions that might arise.

## **2.8 INCREASE OR DECREASE IN SERVICES**

The City shall have the option to increase or decrease services and may request Contractor to provide additional work and perform special projects for the City. All change orders to the contract will be negotiated, in the form of an amendment to the contract, and mutually agreed upon. The amendment will represent a proportional adjustment to the contract price resulting from the increase or decrease in the scope of work. The amendment shall be executed by both parties.

## **2.9 CITY REPRESENTATIVE**

The City Representative or designee shall have full authority to act on behalf of the City with respect to administration of the provisions of this contract, including the authority to stop the work whenever such stoppage may be necessary to ensure the proper execution of the contract. The representative or designee shall also have authority to reject all work that does not conform to the contract documents. The City Representative will be Jeff Gill, Wastewater Supervisor, [jeff.gill@cityofalbany.net](mailto:jeff.gill@cityofalbany.net).

The City Representative shall observe, monitor, and inspect the work to the extent required to determine the provisions of the contract documents are being properly fulfilled. The inspection of the work completed shall not relieve the Contractor of his/her/their obligation to perform acceptable work in conformance with these contract documents.

## **2.10 FIXED PRICE CONTRACT WITH ECONOMIC PRICE ADJUSTMENTS**

The resulting contract will be a fixed price contract with an economic price adjustment after the initial term, three years, at the request of the Contractor. Any change in pricing will be subject to a maximum increase in any one year for the period ending three months prior to the first day of the contract term, or three percent, whichever is lower, as posted in the U.S. Labor Statistics CPI-W, All Items, <https://www.bls.gov/cpi/latest-numbers.htm>.

In times of extreme and unforeseen market volatility, City may negotiate "temporary" price adjustments with Contractor. As a result of the unexpected cost increases, the City reserves the right to annually request an equitable reciprocal adjustment to pricing should prices trend downward.
