SECTION 1 – BACKGROUND AND INFORMATION

1.1 INTRODUCTION

The City of Albany is a municipal governmental entity providing a full range of services, including fire and police protection; sewer services; water services; construction and maintenance of highways, streets, and infrastructure; recreational activities, and cultural events. The City of Albany, with a population of 52,540, is the eleventh largest City in Oregon. Located at the confluence of the Willamette and Calapooia Rivers, the city of Albany lies within both Benton and Linn counties. Albany is the largest city in Linn County and serves as the county seat. Albany is also the second largest city in Benton County. From its river town beginnings, Albany has grown south and east with the railroads, state highways and Interstate 5, and across the Willamette into the farms and wooded hillsides of North Albany.

Albany operates under a home-rule charter in a Council-Manager form of government. Albany is led by an elected, non-partisan seven-member Council. The Council consists of the Mayor and six Council members. The Mayor is elected at-large every two years; Councillors are elected for overlapping four-year terms within three City wards. The City Manager serves at the pleasure of the Council. The Council meets on the 2nd and 4th Wednesdays of each month and conducts work sessions the Monday prior to regularly scheduled Wednesday meetings (with some exceptions). The City Council acts as the Local Contract Review Board for the City, as well as the CARA Advisory Board and the Albany Revitalization Agency (ARA).

Albany employs approximately 424.12 FTE employees and up to an additional 100 temporary employees seasonally. Employees work in one of nine departments. The departments are: Police, Fire, Parks & Recreation, Library, Human Resources, Finance, Information Technology, Public Works Engineering & Community Development, and Public Works Operations. The 2019 fiscal year adopted budget is \$205,854,900, including a General Fund of \$41,878,000.

The objective of requesting proposals is for the City to contract with a firm that can offer services at the highest quality of service at a cost representing the best value to the City.

1.2 PROJECT DESCRIPTION

In general, the Project description includes designing and implementing a tabletop exercise for a hazardous materials release scenario in downtown Harrisburg, Oregon. This tabletop exercise will become the foundation for a series of three exercises total to be conducted over the next three years all using the same scenario and location.

1.3 REQUIRED SERVICES

The City of Albany and the Mid-Valley Local Emergency Planning Committee (LEPC) are requesting proposals to provide services for the design, coordination, and implementation of a Hazardous Material Tabletop Exercise that will take place in Harrisburg. Funding for this project is provided by the Oregon State Fire Marshal's Office through the Mid-Valley LEPC.

This project is designed to provide a tabletop exercise from a release of extremely hazardous substances from a railcar stopped in downtown Harrisburg. This is projected to be the first in a series of exercises which will culminate in a full-scale exercise using the same scenario.

2. No addenda will be issued later than the date set in the RFP Schedule, except an addendum, if necessary, postponing the date for receipt of Proposals, withdrawing the invitation, modifying elements of the proposal resulting from a delayed process, or requesting additional information, clarifications, or revisions of proposals leading to obtaining best offers or best and final offers.

In no event shall the City of Albany have any liability for the cancellation of award.

2.6 LATE PROPOSALS, LATE WITHDRAWALS AND LATE MODIFICATIONS

Proposals must be submitted by the time designated in the RFP Schedule at the City Hall Parks & Recreation Department/Information counter and marked received by City staff indicating the time and date as shown on the City Bid Clock in the Parks & Recreation Department.
