## SECTION 1 – BACKGROUND AND GENERAL INFORMATION

### 1.1 INTRODUCTION

The City of Albany is a municipal governmental entity providing a full range of services, including police and fire police protection; land use planning; sewer services; water services; construction and maintenance of streets, and infrastructure; recreational activities, and cultural events. The City of Albany, with a population of 52,540, is the eleventh largest city in Oregon. Located at the confluence of the Willamette and Calapooia Rivers, the city of Albany lies within both Benton and Linn counties. Albany is the largest city in Linn County and serves as the county seat. Albany is also the second largest city in Benton County. From its river town beginnings, Albany has grown south and east with the railroads, state highways and Interstate 5 and across the Willamette into the farms and wooded hillsides of North Albany.

Albany operates under a home-rule charter in a council-manager form of government. Albany is led by an elected, non-partisan seven-member council. The Council consists of the mayor and six council members. The mayor is elected at-large every two years; councilors are elected for overlapping four-year terms within three city wards. The city manager serves at the pleasure of the council. The council meets on the 2nd and 4th Wednesdays of each month and conducts work sessions the Monday prior to regularly scheduled Wednesday meetings (with some exceptions). The city council acts as the Local Contract Review Board for the City.

Albany employs approximately 427.40 FTE employees and up to an additional 100 temporary employees seasonally. Employees work in one of nine departments. The departments are: Police, Fire, Parks & Recreation, Library, Human Resources, Finance, Information Technology, Public Works Engineering & Operations, and Community Development.

The objective of requesting proposals is for the City to contract with a firm that can offer services at the highest quality of service at a cost representing the best value to the City. More information about the City is available at <http://www.cityofalbany.net/>.

### 1.2 BACKGROUND

3. Each proposer must ascertain, prior to submitting a proposal response, that the proposer has received all addenda issued, and receipt of each addendum must be acknowledged in the appropriate location on each addendum and included with the proposal submittal.

## 2.4 TRADE SECRETS AND PUBLIC RECORDS LAW

All information submitted by proposers will be public record and subject to disclosure pursuant to the Oregon Public Records Act, except such portions of the proposals for which proposer requests exception from disclosure consistent with Oregon law. Proposer should not mark the whole proposal document "confidential". If a proposal contains any information that is considered a trade secret under ORS 192.501(2), proposers must mark each sheet of such information with the following legend: "This data constitutes a trade secret under ORS 192.501(2), and will not be disclosed except in accordance with the Oregon Public Records Law, ORS Chapter 192." Any proposal marked as a trade secret in its entirety will be considered nonresponsive.

## 2.5 CANCELLATION

ORS 279B.100 provides for cancellation, rejection, or delay of proposals when the cancellation or rejection is in the best interest of the City as determined by the City. The City of Albany reserves the right to cancel award of this contract at any time before execution of the contract by both parties if cancellation is deemed to be in the City of Albany's best interest. In no event will the City of Albany have any liability for the cancellation of award.

## 2.6 LATE PROPOSALS, LATE WITHDRAWALS AND LATE MODIFICATIONS

Proposals must be submitted by the time designated in the RFP Schedule. Any proposals submitted after the designated closing time will be considered late and determined nonresponsive. A proposer's request for modification of a proposal, or withdrawal of a proposal received after closing date and time is late. The City will not consider late proposals, late requests for modifications, or late withdrawals.

## 2.7 CONDITIONS OF SUBMITTAL

By the act of submitting a response to this RFP, the proposer certifies:

1. That each person signing on behalf of any Proposer certifies, and in the case of a sole proprietorship, partnership or corporation, each party thereto certifies as to its own organization, under penalty of perjury, that to the best of their knowledge and belief, no elected official, officer, employee, or person, whose salary is payable in whole or in part by the City of Albany, has a direct or indirect financial interest in the proposal, or in the services to which it relates, or in any of the profits thereof other than as fully described in the proposer's response to this solicitation.
2. The proposer has examined all parts of the request for proposal, including all requirements and contract terms and conditions thereof, and, if its proposal is accepted, the proposer must accept the contract documents thereto unless substantive changes are made in same without the approval of the proposer.
3. The proposer, if an individual, is of lawful age; is the only one interested in this proposal; and that no person, firm, or corporation, other than that named, has any interest in the proposal, or in the proposed contract.
4. The proposer has demonstrated quality experience providing the required goods and/or services, or consulting services, whichever is applicable.
5. The proposer has examined the scope of services and conditions thoroughly and can provide the appropriate insurance, deposits, and bonds, if applicable.
6. The proposer will comply fully with the scope of services for the agreed contract.
7. The proposer can meet any and all registration and certification requirements as set forth and required in the Oregon Revised Statutes and this RFP.

## 2.8 PROPOSER REQUESTS INTERPRETATION OF RFP DOCUMENTS

1. Proposers must promptly notify the City of Albany of any ambiguity, inconsistency, or error, which they may discover upon examination of the solicitation documents.
2. Proposers requiring clarification or interpretation of the Documents must make a written request for same to Diane Murzynski, CPPO, Purchasing Coordinator, at [diane.murzynski@cityofalbany.net](mailto:diane.murzynski@cityofalbany.net).
3. The City of Albany will make interpretations, corrections, or changes of the proposal documents in writing by published addenda. Interpretations, corrections, or changes of the proposal documents made in any other manner will not be binding, and proposers must not rely upon such interpretations, corrections, and changes.
4. Should any doubt or difference of opinion arise between the City of Albany and a proposer as to the items to be furnished hereunder or the interpretation of the provisions of this solicitation, the decision of the City of Albany will be final and binding upon all parties.
5. To the maximum extent allowed by law, the City may waive bid/proposal irregularities or strict compliance with any requirement herein if it concludes such action to be in its best interest.

## 2.9 PROPOSER REQUESTS FOR ADDITIONAL INFORMATION

Requests for information regarding City of Albany services, programs, or personnel, or any other information must be submitted in writing to Diane Murzynski, Purchasing Coordinator, at [diane.murzynski@cityofalbany.net](mailto:diane.murzynski@cityofalbany.net). Answers will be provided to all proposers of record on the date that answers are available by posting to the City website.

## 2.10 COMPETITION

Proposers are encouraged to comment, either with their proposals or at any other time, in writing, on any specification or requirement within this RFP, which the respondent believes, will inordinately limit competition.

## 2.11 SOLICITATION PROTESTS

A protest of any provision in this RFP must be made in writing and emailed to Diane Murzynski, CPPO, Purchasing Coordinator, at [diane.murzynski@cityofalbany.net](mailto:diane.murzynski@cityofalbany.net), no later than the date listed in the RFP Schedule. Submittals will be reviewed upon receipt and will be answered in writing. Any protest must address the requirement, provision or feature of this RFP or its attachments, that the potential Proposer believes is ambiguous, unclear, unfair, contrary to law or likely to limit competition. Such submittals will be reviewed upon receipt and will be answered in writing.

In addition to the information required by ORS 279B.405(4), a prospective proposer's written protest must include a statement of the desired changes to the procurement process or the solicitation document that the prospective proposer believes will remedy the conditions upon which the prospective proposer based its protest. No such protests or requests will be considered if received after the deadline. No oral, telegraphic, telephone protests or requests will be accepted.

## 2.12 COST OF RFP AND ASSOCIATED RESPONSES

This RFP does not commit the City of Albany to paying any costs incurred by any proposer in the submission or presentation of a proposal, or in making the necessary studies for the preparation thereof. Responses to this solicitation are purely voluntary. Proposers must not include any such expenses as part of their proposals.

## 2.13 CITY TO REQUEST CLARIFICATION, ADDITIONAL RESEARCH, AND REVISIONS

1. The City of Albany reserves the right to obtain clarification of any point in a proposal or to obtain additional information necessary to properly evaluate a proposal. Failure of a proposer to respond to such a request for additional information or clarification could result in a finding that the proposer is nonresponsive and consequent rejection of the proposal.
2. The City of Albany may obtain information from any legal source for clarification of any proposal or for information on any proposer. The City of Albany need not inform the proposer of any intent to perform additional research in this respect or of any information thereby received.
3. The City of Albany may perform, at its sole option, investigations of the responsible proposer. Information may include, but will not necessarily be limited to credit history, recent financial statements, current litigation, bonding capacity and related history, and contacting references. All such documents, if requested by the City of Albany, become part of the public record and may be disclosed accordingly.

4. The City reserves the right to investigate references including customers other than those listed in the proposer's submission. Investigation may include past performance with respect to its successful performance of similar projects, conformance to owner's budget, compliance with specifications and contractual obligations, its completion or delivery of a project on schedule, and its lawful payment to employees and workers or other criteria as determined by the City.
5. The City of Albany reserves the right to request revisions of proposals after the submission of proposals and before award.
6. The City of Albany reserves the right to negotiate revisions to the final contract, as well as price, with the successful proposer.
7. The City of Albany reserves the right to request revisions of proposals after the submission of proposals and before award for the purpose of obtaining best offers or best and final offers.

#### **2.14 REJECTION OF PROPOSALS**

The City of Albany reserves the right to reject any or all proposals received as a result of this request. Proposals may be rejected for one or more of the following reasons, including but not limited to:

2. Failure of the proposer to submit a proposal in the format specified herein.
3. Failure of the proposer to submit a proposal within the time requirements established herein.
4. Failure of the proposer to adhere to ethical and professional standards before, during, or following the proposal process.

#### **2.15 MODIFICATION OR WITHDRAWAL OF PROPOSAL BY PROPOSER**

1. A proposal may not be modified, withdrawn, or canceled by the proposer for 120 calendar days following the time and date designated for the receipt of proposals.
2. Proposals submitted early may be modified or withdrawn only by email to the City of Albany Purchasing Coordinator, at the submittal location, prior to the time designated for receipt of proposals. All such communications will be so worded as not to reveal the amount of the original proposal or any other material contents of the original proposal.
3. Withdrawn proposals may be resubmitted up to the time designated for the receipt of proposals provided they are then fully in conformance with the proposal submittal instructions.

#### **2.16 PROPOSAL OWNERSHIP**

1. All proposals submitted become and remain the property of the City of Albany and, as such, are considered public information and subject to public disclosure within the context of the federal Freedom of Information Act (FOIA) and Oregon Revised Statutes (ORS) 192.501 and ORS 192.502, public records exempt from disclosure.

2. Unless certain pages or specific information are specifically marked “proprietary” and qualify as such within the context of the regulations stated in the preceding paragraph, the City of Albany will make available to any person requesting information through the City of Albany's processes for disclosure of public records, any and all information submitted as a result of this solicitation without obtaining permission from any proposer to do so after the Notice of Intent to Award has been released.

## **2.17 DURATION OF PROPOSAL**

Proposal prices, terms and conditions will be firm for a period of at least 120 days from the deadline for receipt of submittal. The successful proposal will not be subject to future price escalation or changes of terms if accepted during the 120 calendar-day period. Price decreases or changes in terms by others after the acceptance of a proposal will not be considered.

## **2.18 AFFIRMATIVE ACTION**

By submitting a proposal, the proposer must agree to comply with the Fair Labor Standard Act, Title VII of the Civil Rights Act of 1964, Executive Order 11246 (as amended), Fair Employment Practices, Equal Employment Opportunity Act, Section 503 of the Rehabilitation Act of 1973, as amended; Vietnam Era Veterans' Readjustment Assistance Act of 1974; Americans with Disabilities Act; Age Discrimination in Employment Act of 1967 (ADEA); and Oregon Revised Statutes (ORS); and all applicable requirements of federal, state and local civil rights and rehabilitation statutes, rules and regulations if awarded a contract by the City.

## **2.19 CERTIFICATION OFFICE FOR BUSINESS INCLUSION AND DIVERSITY (COBID)**

The Oregon Business Development Department, through the Certification Office for Business Inclusion and Diversity, is the sole agency that may certify enterprises and businesses as disadvantaged business enterprises, minority-owned businesses, woman-owned businesses, businesses that service-disabled veterans own and emerging small businesses that are eligible to perform public contracts in this state. Proposer must agree not to discriminate against a disadvantaged business enterprise, a minority-owned business, a woman-owned business, a business that a service-disabled veteran owns, or an emerging small business enterprise certified under ORS 200.055 in awarding subcontracts as required by ORS 279A.110.

## **2.20 PAY EQUITY COMPLIANCE**

As required by ORS 279B.235, all proposers must comply with ORS 652.220 and will not unlawfully discriminate against any of proposer's employees in the payment of wages or other compensation for work of comparable character on the basis of an employee's membership in a protected class. “Protected class” means a group of persons distinguished by race, color, religion, sex, sexual orientation, national origin, marital status, veteran status, disability, or age. Proposer's compliance with this section constitutes a material element of this contract and a failure to comply constitutes a breach that entitles the City to terminate this contract for cause.

Proposer may not prohibit any of their employees from discussing the employee's rate of wage, salary, benefits, or other compensation with another employee or another person. Proposer may not retaliate against an employee who discusses the employee's rate of wage, salary, benefits, or other compensation with another employee or another person.

If the contract is valued at \$500,000 or more and the consultant has 50 or more employees, then the proposer is required to complete Pay Equity Training through the State of Oregon's Department of Administrative Services, at <https://www.oregon.gov/das/Procurement/Pages/PayEquity.aspx>, and must certify they have taken the required Pay Equity Training and provide a certificate as proof before awarded a contract by the City.

## **2.21 SUBCONSULTANTS**

In all solicitations either by competitive bidding, proposals, or negotiation made by the successful proposer for work to be performed under a subconsultant/subcontractor, including procurements of materials or leases of equipment, each potential supplier will be notified by the successful proposer of the proposer's obligations under this contract, Title VI of the Civil Rights Act of 1964, and other federal nondiscrimination laws.

## **2.22 IDENTICAL PROPOSALS**

If the City receives proposals identical in price, fitness, availability, and quality and chooses to award a contract, the City will award the contract in accordance with ORS 279A.120 and OAR 137-046-0300. If the City determines that one or more proposals are identical, tiebreaker preference for identical offers are awarded on the following order of precedence: 1) Goods and services manufactured, produced or to be performed in Oregon, and 2) Drawing of lots among the identical offers. The City will provide the proposers who submitted the identical proposals notice of the date, time, and location of the drawing of lots and an opportunity for the proposers to be present when the lots are drawn.

## **2.23 COMPLIANCE WITH STATE OF OREGON LAW**

By submitting a response to this solicitation, proposer agrees that any terms and conditions stated within any agreement awarded as a result of this solicitation will include the following laws of the State of Oregon and are hereby incorporated by reference into the agreement: ORS 279B.220 (Payment, contributions, liens, and withholding), ORS 279B.225 (salvaging, recycling, composting or mulching yard waste material – if applicable), ORS 279B.230 (payment for medical care and workers' compensation), and ORS 279B.235 (hours of labor).

## **2.24 NOTIFICATION OF INTENT TO AWARD**

Responsive proposers to this RFP will be notified of the Selection Review Committee's recommendation and the City's intent to award an agreement not less than seven (7) days prior to award of agreement. The notice of intent to award an agreement will be directed to the person who has signed the proposal on behalf of the proposer or their designee if an email has not been provided.

## 2.25 PROTEST OF AWARD

An aggrieved proposer may protest the award of a contract or the intent to award such a contract, whichever occurs first, if the following conditions are satisfied: (1) The proposer must be adversely affected because the proposer would be eligible to be awarded the contract in the event the protest is successful; (2) The reason for the protest is that all the lower bids/proposals, or higher-ranked bids/proposals are nonresponsive; (3) The City has failed to conduct the evaluation of proposals in accordance with the criteria or processes described in the solicitation document; (4) The City has abused its discretion in rejecting the protestor's bid as nonresponsive; (5) The City's evaluation of the proposals or the subsequent determination of award is otherwise in violation of ORS 279A or 279B.

Written protests must be delivered in writing to the Purchasing Coordinator at [procurement@cityofalbany.net](mailto:procurement@cityofalbany.net), within seven (7) days after issuance of the notice of intent to award the contract or if no notice of intent to award is issued, within forty-eight hours after award. The written protest must specify the grounds for protest to be considered by the City pursuant to ORS 279B.410(2). City will not consider a protest of contract award submitted after the above timeline.

## 2.26 OBLIGATION TO AWARD

The City's obligation to award this RFP is contingent upon appropriation or approval of funds.

## 2.27 AGREEMENT

The successful proposer will be required to sign an agreement to deliver to the City at the cost proposed to provide the scope of services and conditions set forth herein, and an agreed upon statement of work, if applicable. It is the City's intent to award an agreement in substantially the form of the sample agreement attached to this RFP document.

## 2.28 NOTICE TO PROCEED

Work under the Agreement may not begin until the Notice to Proceed has been issued. The City will issue the Notice to Proceed after execution of the contract. The Notice to Proceed will state the date work under the Agreement will begin.

## 2.29 RECIPROCAL PREFERENCE LAW

Oregon's reciprocal preference law, ORS 279A.125, requires public contracting agencies, in determining the lowest responsible proposer, to add a percent increase to each out-of-state proposer's bid price which is equal to the percent of preference given to local proposers in the proposer's home state. The list prepared and maintained by the Oregon Department of Administrative Services pursuant to ORS 279A.120(4) will be used to determine whether the nonresident bidder's state gives preference to in-state bidders/proposers and the amount of such preference. For details, check Oregon's Reciprocal Preference Law at <https://www.naspo.org/reciprocity1>. Proposers in need of assistance in the application of this law should contact the State Procurement Office: State of Oregon, Department of Administrative Services, State Procurement Office, 1225 Ferry Street SE, U-140, Salem, OR 97301-4285. Phone: 503-378-4642.

### 2.30 INTERGOVERNMENTAL COOPERATIVE AGREEMENT

Pursuant to ORS 279A.215, other public agencies shall have the ability to purchase the awarded goods and services from the awarded contractor under terms and conditions of the resultant contract. Any such purchases shall be between the contractor and the participating public agency and shall not impact the consultant's obligation to the City of Albany. If the consultant chooses to participate in such agreements, all agency relationships, including those for contract administration, ordering, deliveries, approvals, billing, and collections shall be between the participating agency and the consultant.

The originating agency, City of Albany, except for this enabling agreement, shall not participate in any aspects of commercial activity between the consultant and the participating agency. If the consultant agrees to participate, all such participation shall be on the basis of this solicitation and the resulting award except that reasonable changes in pricing and terms may be negotiated directly between the participating agency and the consultant to accommodate differences in delivery distances and local conditions. All such changes shall be solely between the consultant and the participating agency.

*Proposer must accept or decline participation in the Cooperative Agreement by providing written notification on the Non-Collusion and Conflict of Interest Certification form.*
