SECTION 1 – BACKGROUND AND GENERAL INFORMATION

1.1 INTRODUCTION

The City of Albany is a municipal governmental entity providing a full range of services, including police and fire police protection; land use planning; sewer services; water services; construction and maintenance of streets, and infrastructure; recreational activities, and cultural events. The City of Albany, with a population of 52,540, is the eleventh largest City in Oregon. Located at the confluence of the Willamette and Calapooia Rivers, the city of Albany lies within both Benton and Linn counties. Albany is the largest city in Linn County and serves as the county seat. Albany is also the second largest city in Benton County. From its river town beginnings, Albany has grown south and east with the railroads, state highways and Interstate 5 and across the Willamette into the farms and wooded hillsides of North Albany.

Albany operates under a home-rule charter in a Council-Manager form of government. Albany is led by an elected, non-partisan seven-member Council. The Council consists of the Mayor and six Council members. The Mayor is elected at-large every two years; Councilors are elected for overlapping four-year terms within three City wards. The City Manager serves at the pleasure of the Council. The Council meets on the 2nd and 4th Wednesdays of each month and conducts work sessions the Monday prior to regularly scheduled Wednesday meetings (with some exceptions). The City Council acts as the Local Contract Review Board for the City.

Albany employs approximately 438 FTE employees and up to an additional 100 temporary employees seasonally. Employees work in one of nine departments. The departments are: Police, Fire, Parks & Recreation, Library, Human Resources, Finance, Information Technology, Public Works Engineering & Operations, and Community Development. The City adopted a biennial budget, BN 2019-2021, on June 12, 2019, in the aggregate sum of \$346,824,200, including a General Fund budget for two years of \$86,703,600.

The objective of requesting proposals is for the City to contract with a firm that can offer services at the highest quality of service at a cost representing the best value to the City. More information about the City is available at the following: <http://www.cityofalbany.net/>.

1.2 CURRENT COMMUNICATIONS CENTER ENVIRONMENT

The Albany Police Department Communications Center is a secondary public safety answering point that dispatches for the City of Albany in both Linn and Benton Counties. The Communications Center is staffed by 10 dispatchers, and 1 supervisor. The Communications Center handles in excess of 45,000 calls for service each year and provides a wide range of public safety services to include emergency and non-emergency call taking, warrant processing, telephone reports and law enforcement dispatching services.

The Communications Center's legacy IP radio dispatch console system, Motorola MIP 5000, was purchased in 2008 and is being phased out by the current vendor. The Communications Center currently operates three (3) IP radio dispatch console positions. Our primary radio infrastructure is a 700-MHz Motorola Astro Core remotely located in Eugene and our back-up radio system is a conventional analog system. Each position requires access to eight (8) radio resources and interfaces with the City's Cisco Unified CM Phone System and the Stancil SLR logging recorder.

The notice of intent to award an agreement will be directed to the person who has signed the Proposal on behalf of the Proposer or their designee if an email has not been provided.

2.25 PROTEST OF AWARD

A Proposer may protest the award of a contract or the intent to award such a contract, whichever occurs first, if the following conditions are satisfied: (1) The Proposer must be adversely affected because the Proposer would be eligible to be awarded the contract in the event the protest is successful; (2) The reason for the protest is that all the lower bids or higher ranked Bids are nonresponsive; (3) The City has failed to conduct the evaluation of Proposals in accordance with the criteria or processes described in the Solicitation Document; (4) The City has abused its discretion in rejecting the protestor's bid as nonresponsive; (5) The City's evaluation of the Proposals or the subsequent determination of award is otherwise in violation of ORS 279A or 279B.

A Proposer's written protest must specify the grounds for protest to be considered by the City pursuant to ORS 279B.410(2). City will not consider a Proposer's contract award protest submitted after the above timeline.

2.26 OBLIGATION TO AWARD

The City's obligation to award this RFP is contingent upon appropriation or approval of funds.

2.27 AGREEMENT

The Successful Proposer will be required to sign an agreement to deliver to the City at the cost proposed providing the scope of services and conditions set forth herein, and an agreed upon Statement of Work, if applicable. It is the City's intent to award an agreement in substantially the form of the sample Agreement attached to this RFP document.

2.28 NOTICE TO PROCEED

2.30 RECIPROCAL PREFERENCE LAW

Oregon's reciprocal preference law, ORS 279A.125, requires public contracting agencies, in determining the lowest responsible Proposer, to add a percent increase to each out-of-state Proposer's bid price which is equal to the percent of preference given to local Proposers in the Proposer's home state. The list prepared and maintained by the Oregon Department of Administrative Services pursuant to ORS 279A.120(4) will be used to determine whether the nonresident Bidder's state gives preference to in-state Bidders and the amount of such preference. For details, check Oregon's Reciprocal Preference Law website at: <https://www.naspo.org/reciprocity1>. Proposers in need of any assistance in the application of this law should contact the State Procurement Office: State of Oregon, Department of Administrative Services, State Procurement Office, 1225 Ferry Street SE, U-140, Salem, OR 97301-4285. Telephone: 503-378-4642.

2.31 INTERGOVERNMENTAL COOPERATIVE AGREEMENT

Pursuant to ORS 279A.215, other Public Agencies shall have the ability to purchase the awarded goods and services from the awarded Firm(s) under terms and conditions of the resultant contract. Any such purchases shall be between the Firm and the Participating Public Agency and shall not impact the Contactor's obligation to the City of Albany. If the Firm chooses to participate in such agreements, all Agency relationships including those for contract administration, ordering, deliveries, approvals, billing, and collections shall be between the Participating Agency and the Firm.

The originating agency, City of Albany, except for this enabling agreement, shall not participate in any aspects of commercial activity between the Firm and the Participating Agency. If the Firm agrees to participate, all such participation shall be on the basis of this solicitation and the resulting award except that reasonable changes in pricing and terms may be negotiated directly between the Participating Agency and the Firm to accommodate differences in delivery distances and local conditions.
