ADDENDUM NO. 1

WL-19-01
BELMONT AVENUE AREA WATER LINE REPLACEMENTS

In order to clarify the intent of the Specifications and Drawings, the following provisions are provided and shall be considered part of the contract documents.

In order to ensure that all bidders are aware of these provisions, each bidder shall sign this addendum below and attach it to the proposal.

IMPORTANT: Failure to include a signed Addendum could result in the disqualification of your bid.

- 1) ESCALATION/DE-ESCALATION FOR DUCTILE IRON PIPE AND FITTINGS: The following procedure will be used to address price escalation/de-escalation for material costs of ductile iron pipe and fittings included in Bid Items 4, 5, and 6:
 - (a) Contractor shall submit quote for above listed ductile iron materials used to determine the bid prices within seven calendar days of notice of award.
 - (b) Contractor shall submit quote for same ductile iron materials within seven calendar days of notice to proceed.
 - (c) City will increase/decrease contract amount based on the difference between these two quotes by change order.

- 2) Contract Documents, Bid Item No.9 – Standard 1-Inch Copper Service Assembly. Add the following text to this bid item: *“Connections within 10 feet of the private side of the meter do NOT require a plumbing permit or a licensed plumber to install.”*
