

APPENDIX C: CONCRETE STATEMENT OF QUALIFICATIONS FORM

This form must be completed in its entirety and a copy submitted with the bid.

The City of Albany requires a statement of qualifications to be completed and submitted by contractors bidding on the WTP-20-01, Vine Street Water Treatment Plant Clear Well Rehabilitation project regarding their financial ability, equipment, and experience in relation to the proposed concrete work. **Failure to submit the form with the bid may be grounds for rejection of the bid.**

To qualify for this project the prospective CONCRETE CONTRACTOR must complete the following information:

CONCRETE CONTRACTOR INFORMATION

Submitted By: _____
(CONCRETE CONTRACTOR) A Corporation
A Partnership
An Individual

Type of Work: _____

Principal Office: _____

Contractor's Bank and Local Contact: _____

See Addendum #2 for changes to this page.

EXPERIENCE QUESTIONNAIRE

1. How many years has your organization been in business as a contractor under your present business name? _____

2. Have you ever failed to complete any work awarded to you? _____

If so, where and why? _____

3. List below the contracts which you, or your company, or corporation were party, during the previous 10 years which contracts where involved in litigation of any type:

4. Name the Surety Company, and the name and address of the local agent you expect to use in the event this Contract is awarded to you. ~~Please note that the Concrete Contractor's Surety Company shall be prepared to provide a three (3) year maintenance bond for the Clear Well. The Concrete Contractor's surety is to be A.M. Best A or higher.~~

5. Name the field superintendent(s) who will be in direct charge of the potable water structure concrete work if awarded this Contract and state the relevant, successful experience. A qualified field superintendent will be required to be on the project site in responsible charge, full-time, during all concrete construction activities. The proposed superintendent(s) shall be currently employed by the Concrete Contractor and shall have been the Concrete Contractor superintendent on no less than **two (2)** concrete construction and/or repair projects on potable water structures during the last **ten (10)** years. The concrete superintendent(s) shall have been in the direct employment of the Concrete Contractor for both of the potable water structure projects listed. Indicate the owner of projects referenced. Provide the name(s) of at least **two (2)** concrete jobs successfully completed on potable water structures by all of the superintendents listed by the Concrete Contractor, which shall include a potable water structure description, the name and address of the owner, and the approximate completion date of each potable water structure project.

Superintendent Name(s)		
Project Completed: Owner Project Name Year Completed		
Project Completed: Owner Project Name Year Completed		

6. List the names, addresses and telephone numbers of the owners and project engineers, and completion dates and location of at least **three (3)** concrete projects on potable water structures located within the United States which have been successfully constructed and/or repaired by the Concrete Contractor during the last **ten (10)** years. In order to meet the experience requirements, the **three (3)** concrete projects on potable water structures shall be similar in design to the specified concrete project and at least **50,000 gallons** in volume. (Provide an attachment if additional space is required.)

Project Name, Owner & Potable Water Structure Size	Year Completed	Name & Address of Owner Contact Person and Phone Number	Name & Address of Engineer Contact Person and Phone Number

The information submitted in this form will be regarded as confidential to the extent of the law.
