\_\_\_\_\_

5. Name the field superintendent(s) who will be in direct charge of the potable water structure epoxy coating work if awarded this Contract and state the relevant, successful experience. A qualified field superintendent will be required to be on the project site in responsible charge, full-time, during all epoxy coating activities. The proposed superintendent(s) shall be currently employed by the Epoxy Coating Contractor and shall have been the Epoxy Coating Contractor superintendent on no less than **two (2)** concrete potable water structure epoxy coating projects during the last **ten (10)** years. The Epoxy Coating Contractor superintendent(s) shall have been in the direct employment of the Epoxy Coating Contractor for both of the potable water structure epoxy coating projects listed. Indicate the owner of projects referenced. Provide the name(s) of at least **two (2)** epoxy coating projects successfully completed on potable water structures by all of the superintendents listed by the Epoxy Coating Contractor, which shall include a potable water structure description, the name and address of the owner, and the approximate completion date of each potable water structure project.

Superintendent Name(s)		
Project Completed:  Owner Project Name Year Completed		
Project Completed:  Owner Project Name Year Completed		

6. List the names, addresses and telephone numbers of the owners and project engineers, and completion dates and location of at least **five (5)** epoxy coating projects on potable water structures located within the United States which have been successfully constructed by the Epoxy Coating Contractor during the last **ten (10)** years. In order to meet the experience requirements, the **five (5)** epoxy coating projects on potable water structures shall be similar in size and scope to the specified epoxy coating project and at least **50,000 gallons** in volume. (Provide an attachment if additional space is required.)

Project Name, Owner & Potable Water Structure Size	Year Completed	Name & Address of Owner Contact Person and Phone Number	Name & Address of Engineer Contact Person and Phone Number

The information submitted in this form will be regarded as confidential to the extent of the law.

The undersigned hereby declares that the foregoing statements are true and that the foregoing financial statement is a true and accurate statement of the financial condition of said firm.
