

RESOLUTION NO. 7229

A RESOLUTION REVISING CONNECTION CHARGES FOR STREET CONNECTIONS TO IMPROVED CITY STREETS OF UNASSESSED PROPERTIES IN THE CITY OF ALBANY AND REPEALING RESOLUTION 7108.

WHEREAS, Chapter 15.30 of the Albany Municipal Code sets forth requirements for connection charges for connections to improved streets of unassessed properties within the City of Albany; and

WHEREAS, connection charges are designed to recover the equivalent cost of constructing the standard portion of a street system that benefits the connecting property; and

WHEREAS, a local street shall be the basis for calculating the per foot of frontage cost for all properties; and

WHEREAS, the per foot of frontage dimension shall be calculated by measuring the entire length of the property frontage that is adjacent to improved streets regardless of the length of the street along that frontage; and

WHEREAS, it is important to annually adjust connection charges to keep pace with the changing cost of public improvement projects; and

WHEREAS, the Engineering News Record (ENR) Seattle Construction Cost Index (CCI) used in Resolution 7108 was 14,493.29, and the April 2023 ENR Seattle CCI to be applied for purposes of this resolution is 15,031.28 (index ratio =  $15,031.28 / 14,493.29 = 1.0371$ ).

NOW, THEREFORE, BE IT RESOLVED by the Albany City Council that Resolution 7108 is hereby repealed as of the effective date of the revised charges; and

BE IT FURTHER RESOLVED that the following street connection charge rate is hereby established:

Street Connection Charge Rate: ~~\$185~~ (calculated fee \$191.80) **\$192** per front foot; and

BE IT FURTHER RESOLVED that in no case shall the total connection charge be for less than an equivalent of 50 feet of frontage; and

BE IT FURTHER RESOLVED that it is the intent of the Albany City Council to annually adjust the connection charges outlined in this Resolution on the first day of July each calendar year in proportion to the change in the Seattle Construction Cost Index as published in the Engineering News Record. The adjustment shall be made by calculating the percentage increase/decrease in the index from the last adjustment and then applying that percentage to the previous year's connection charge; and

BE IT FURTHER RESOLVED that the effective date of these charges shall be **July 1, 2023**.

DATED THIS 14TH DAY OF JUNE 2023.
