Fraternal organizations include Masons, Knights of Columbus, B.P.O.E., Moose, Eagles, American Legion, Optimist Club and Albany Woodpeckers.

OUTDOOR RECREATION - Albany's location is ideal for all outdoor recreation as well as spectator sports. All the beauty, sandy beaches, fishing and glamour of the blue Pacific Ocean is just an hour away on fine paved highways. This is truly a mecca for rest, relaxation, vacation or just plain fun. A one to two hour drive to the East will put you into the Cascade country for wonderful winter skiing, fall hunting of deer, elk, and game birds. During fishing season its out of this world with lakes and streams full of fighting fish. This is great country in the summer for outdoor camping and vacationing. Located on the Willamette River, Albany, offers opportunity for boating, water skiing. Collegiate football and basketball featuring the University of Oregon and Oregon State University are right in the neighborhood. Biggest outdoor show in the entire Northwest is the World Famous Albany Timber Carnival held each year. Featured are the world championships in tree topping, speed climbing, bucking, log rolling and axe throwing held July 2-3-4-5. This spectacular four-day event is climaxed by a gigantic night of fireworks display on the night of July 5th. Over 50,000 spectators view this giant affair.

INDUSTRY - Industrial diversification has been the key factor in the rapid growth and development of Albany. Recent payroll additions have come from Kraft paper production, featuring wood waste utilization, and from the highly imaginative reactive metal field. In the latter two corporations are in production of Zirconium Titanium and related metals. Albany's location of the U. S. Bureau of Mines experimental station will undoubtedly attract other industry in the experimental field. Several plants manufacture wood products from the timber resources of the area. Agriculture, long a dominant factor in the economy continues to grow through Albany's several food processing plants. This also holds true of the seed processing business. Another link in the processing chain is the dairy and meat manufacturing facilities. More and more light industry is settling in the area to add even more dollars to the well rounded and growing Albany economy. With abundant water, low cost power and economical well-situated industrial sites, the Albany future is decidedly bright. This well can be the Brightest Spot in Oregon's Future.

GENERAL INFORMATION

Albany, the Seat of fertile and lovely Linn County, is the "Hub of the Willamette Valley". It has excellent transportation facilities, beautiful homes, up-to-date schools, and outstanding civic institutions. Easy-to-reach Albany is at the junction of U. S. Highways 99 and 20, 22 miles south of Salem and 70 miles south of Portland.

Agriculture is highly diversified and the climate relatively free from extremes. The land, a combination of green valleys and timbered hills, produces bumper harvests of fruits, vegetables, filberts, grains, and other crops. Irrigated pastures provide lush feed for the herds of dairy and beef cattle. Poultry and poultry products, including turkeys are money-makers too. Meat-packing plants, a poultry processing plant, and a milk condensary are located in fast-growing Albany.

Linn County is also the home of a vast timber empire, with sawmills, plywood mills, and a furniture factory busy converting tall trees to finished products. Albany's School of Forestry is among the finest in the nation; it is also the regional headquarters of the U. S. Bureau of Mines. Numerous other industries indicate a progressive outlook.

Outdoor recreation at its finest is yours here. A large portion of the county is being set aside to provide an unspoiled wilderness area for escape from crowded, noisy cities. Beautiful Clear Lake is nearby; mountain scenery, deep forests, lava beds, Alpine lakes, sparkling streams, excellent hunting and fishing are all at hand. The popular Hoodoo Ski Bowl is an easy drive from Albany, and the blue Pacific with its scenic beaches is not far.

Albany and Linn County offer a way of life that is truly happy and contented.

WESTERN KRAFT CORPORATION

ALBANY MILL DIVISION

Albany, Oregon

A Proud Member Of The Albany Community

The Western Kraft plant is located on a 130 acre tract about $3\frac{1}{2}$ miles north of Albany. This area was selected primarily because of its central location in relation to the supply of wood chips from the surrounding timber area.

Western Kraft is a growing company keeping pace with the community and economic development of Oregon. The quality products are a direct reflection of the outstanding members of this community who operate our modern facilities.
