Albany Jaycees left this year's state Jaycee Convention with an armload of awards. Bob Whitehead, pictured above, immediate past president of the Albany Club, holds the citation designating the Albany Timber Carnival as the "Outstanding Project of the Year". Awards in the foreground are for projects completed during Bob's term which were entered in national competition and took first place for the Albany Jaycees.

Albany's growth of new and expanding industries for 1969-70 looks great. The one pictured above is a new building for Oregon Metallurgical, 100' x 261'. Further expansion is going on at the present time.

The new Zirconium Technology plant on South Pacific Boulevard, near Oregon Metallurgical, will employ some 50-60 persons by late fall. (pictured above)
 Another new industry is Golden West Mobile Homes on South Pacific Boulevard, who will start production on mobile homes the later part of October. Rem Metals has built a new plant on Interstate #5 and Highway #20, Ti Line has a new building and Duraflake is making a 3½ to 4 million dollar expansion to their plant.
 From January 1, 1969 to date, Albany has had over 23 million dollars building expansion and new plants authorized, which includes schools, retail and wholesale businesses.

GENERAL INFORMATION

Albany, the Seat of fertile and lovely Linn County, is the "Hub of the Willamette Valley". It has excellent transportation facilities, beautiful homes, up-to-date schools, and outstanding civic institutions. Easy-to-reach Albany is at the Junction of U.S. Highways #99 and #20, twenty two miles south of Salem and sixty nine miles south of Portland.

Agriculture is highly diversified and the climate relatively free from extremes. The land, a combination of green valleys and timbered hills, produces bumper harvests of fruits, vegetables, filberts, grains, and other crops. Irrigated pastures provide lush feed for the herds of dairy and beef cattle. Poultry and poultry products, including turkeys are money-makers too. Meat-packing plants and a milk condensary are located in fast-growing Albany.

Linn County is also the home of a vast timber empire, with sawmills, plywood mills, and a furniture factory busy converting tall trees to finished products. Albany's School of Forestry is among the finest in the nation. Albany is also the regional headquarters of the U.S. Bureau of Mines. Numerous other industries indicate a progressive outlook.

Outdoor recreation at its finest is yours here. A large portion of the county is being set aside to provide an unspoiled wilderness area for escape from crowded, noisy cities. Beautiful Clear Lake is nearby; mountain scenery, deep forests, lava beds, Alpine lakes, sparkling streams, excellent hunting and fishing are all at hand. The popular Hoodoo Ski Bowl is an easy drive from Albany, and the blue Pacific with its scenic beaches is not far.

Albany and Linn County offer a way of life that is truly happy and contented.

How To Get Along With People

Keep skid chains on your tongue; always say less than you think; cultivate a low, persuasive voice. Make promises sparingly and keep them faithfully, no matter what it costs you. Praise good work done, regardless of who did it. If criticism is merited, criticize helpfully, never spitefully. Preserve an open mind on all debatable questions. Discuss but don't argue. It is a mark of superior minds to disagree and yet be friendly.

How To Get Along With People

Keep skid chains on your tongue; always say less than you think; cultivate a low, persuasive voice. Make promises sparingly and keep them faithfully, no matter what it costs you. Praise good work done, regardless of who did it. If criticism is merited, criticize helpfully, never spitefully. Preserve an open mind on all debatable questions. Discuss but don't argue. It is a mark of superior minds to disagree and yet be friendly.

MUSIC
NIGHTLY

— I AM —

I sit in the castles of business and at the hearthstones
of many homes, mighty in my power to serve.

Through me is the power to make people talk with intel-
ligence concerning their communities.

With extended hand I guide the wearied traveler, and
to others shorten the distances between destinations.

In me abides the essence of democracy, as side by side
is found all nationalities, rich and poor alike.

With uncanny certainty I unite long-lost friends and make
glad the missing heirs.

Through me are protected the law-abiding by tracing the
criminal to his hiding place.

Through me, in the friendliest way, new trade channels
are opened.

I am the key that unlocks the gate to what your com-
munity is, for all who would pass its portals.

I Am Your City Directory
